| reziichsan.github.io/Portfolio | Bekasi, Indonesia

Informatics graduate from Telkom University with hands-on experience in full-stack web development and AI integration. Proficient in Python (Django), JavaScript (Node.js, Express), and UI/UX design in Figma. Proven track record of building web applications and ML models with optimal performance. Seeking an Entry-Level Web Developer / Frontend Engineer role.

## EXPERIENCE

**Web Developer Intern | Nutrifood Indonesia** **Juli 2022 - September 2022**

- Developed the Digital Meeting feature using Django for enterprise virtual meeting management.
- Built user-facing features including meeting list display, title-based search, and full CRUD operations.
- Implemented and tested feature functionality using dummy data based on project requirements.

## EDUCATION

**Bachelor's Degree in Informatics** Telkom University (GPA: 3.01/4.00) — Graduated 2026

## PROJECTS

**IT-Ticketing tool | Personal Project : View Project**

- Built a full-stack IT helpdesk ticketing system using Node.js, Express, SQLite, and Tailwind CSS.
- Integrated Gemini API to automate ticket analysis and dynamically assign priority levels.

**Multilingual Hoax Detection System | Final Thesis Project : View Project**

- Developed an automated fake news detection system using IndoBERT across a 5-language dataset.
- Evaluated combined multilingual datasets with peak validation accuracy of 88.62%.

**Redesign UI JKT48 Official Website | Personal Project : View Project**

- Analyzed usability flaws on the official website to restructure layout into a clean user experience.
- Designed interactive high-fidelity prototypes and a cohesive design system using Figma.

## CERTIFICATES

- Basic Management Proyek - DiCoding (2026)
- Scientific Computing with Python – freeCodeCamp (2025)
- Responsive Web Design – freeCodeCamp (2024)

## SKILLS

- **Technical Skills** : IT Helpdesk & Troubleshooting (Hardware/Software/Windows/Linux), Basic Networking (TCP/IP, LAN/Wi-Fi, Router Config), Python, HTML/CSS, Tailwind CSS, Figma, SQL/SQLite.
- **Soft Skills :** Problem Solving, Analytical Thinking, Logical Thinking, Teamwork, Communication, Fast Learning, Adaptability, Time Management.
- **Languages:** English (Intermediate - Telkom IEPRT Score: 463)
